Effective Date: April 25, 2025.

The AdverSharing application is developed and used exclusively by internal employees of the company for the purpose of automating processes related to Meta and WhatsApp Business credit lines.

We do not collect or process users' personal data. Within the scope of the application, only technical data necessary for the functioning of the service is recorded:

- user login,
- entered form data,
- the time of the request,
- the result of the request processing.

This data is not stored permanently and is not transferred to third parties.

If you have any questions about security and operation of the application, you can contact us by e-mail: dev@adverdata.by.
